Re: WT Docket No. 02-55
Ex Parte Presentation

On May 27, 2003, Alan S. Tilles, Esquire of Shulman, Rogers, Gandal, Pordy & Ecker, P.A. (Counsel to Racom Corp. and IE Communications); Gregg Miller, President of Racom; Erik Pakosta, President of IE Comm; and Fred Pakosta, President of Advanced RF Communications, Inc., met with Shellie Blakeney, Legal Advisor in the Wireless Telecommunications Bureau; David Furth, Associate Bureau Chief of the Wireless Telecommunications Bureau; Tom Stanley, Chief Engineer of the Wireless Telecommunications Bureau; Jeanne Kowalski, Deputy Chief of the Public Safety and Private Wireless Division; and Michael Wilhelm of the Wireless Telecommunications Bureau, and separately with Barry Ohlson, Legal Advisor to Commissioner Adelstein, regarding the Consensus Plan and the Commission's above-referenced rule making proceeding on public safety communications in the 800 MHz band.

During these meetings, the participants and the Commission staff discussed: (1) Racom and IE's 800 MHz radio systems; (2) the interference from Nextel experienced by Racom and IE's radio systems; (3) Racom's participation in the efforts by the City and County of Denver to mitigate the interference experienced by Denver from Nextel and AT&T; (4) Racom and IE's Upper 200 channel re-tuning agreements and the re-tuning process; and (5) Racom and IE's support of the Consensus Plan.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, 47 C.F.R. §1.1206(b)(2), this letter is being filed electronically for inclusion in the public record in the proceeding.

Sincerely,

Alan S. Tilles
